PROFESSIONAL SUMMARY

Results-driven General Accountant and Financial Analyst with 4+ years of experience in full-cycle accounting, financial reporting, accounts payable and receivable, bank reconciliations, and month-end close. Proven ability to manage accounting operations with high accuracy and compliance across banking and hospitality sectors. Currently serving as Financial Analyst at Dubai Library Distributors LLC in Dubai, UAE. Proficient in ERP systems including QuickBooks, Sage, and Xero with hands-on experience in audit support, cost analysis, variance analysis, budgeting, financial compliance, and journal entry preparation.

WORK EXPERIENCE

Financial Analyst | Dubai Library Distributors LLC

Oct 2025 – Present

Dubai, UAE

- Prepare and analyze monthly, quarterly, and annual financial statements including P&L, balance sheet, and cash flow reports.
- Conduct variance analysis between actual and budgeted figures and report findings to senior management.
- Develop financial models and forecasts to support strategic business decisions and planning cycles.
- Monitor and track key financial performance indicators (KPIs) across departments.
- Perform bank reconciliations and ensure accuracy of all financial transactions recorded in ERP systems.
- Manage accounts payable and receivable processes, ensuring timely payments and collections.
- Coordinate with external auditors and prepare supporting documentation for audit processes.
- Analyze cost structures, identify savings opportunities, and support budget preparation.
- Ensure compliance with UAE financial regulations and internal company policies.
- Utilize QuickBooks, Sage, and Xero for financial data management and reporting.

Customer Service Representative | National Bank of Egypt

Jan 2024 – Oct 2025

Cairo, Egypt

- Delivered high-quality customer support via telephone for account inquiries, transactions, and banking services.
- Managed account operations including account openings, complaint resolution, and service request processing.
- Operated across multiple banking systems, demonstrating adaptability and broad banking knowledge.
- Maintained service quality standards and ensured customer satisfaction through effective follow-up protocols.
- Identified cross-selling opportunities and educated clients on available banking products and services.

Junior Accountant | Retal View Hotel

Sep 2021 – Jun 2023

North Coast, Egypt

- Improved accounts payable process efficiency by 30% through implementation of an automated payment system.
- Managed accounts payable and receivable processes, ensuring timely and accurate payment processing.
- Conducted monthly bank reconciliations and identified discrepancies in financial records.
- Assisted in preparing monthly financial summaries, cost reports, and management review documents.
- Supported the finance team in daily bookkeeping tasks and journal entry preparation.
- Coordinated with vendors for invoice verification and payment scheduling.
- Assisted with end-of-month closing procedures and financial data entry into accounting systems.
